Model Specification

Table 8/6/05 issue

The adjacent table outlines the standard features and specifications of each Innovan model presented within the Slide-On Camper range.

Table Key	
Available as standard for particular model	Y
Not available as standard for particular model	-

Innovan is happy to negotiate customisation of standard models within the scope of adjacent features listed. To obtain customisation quotes contact an Innovan representative or fill in the last column on this table with the model name you want to modify. Then place a tick to include specification or a cross to remove. Fill out the details below and Fax it to Innovan. We will get back to you shortly.
