

Crusader

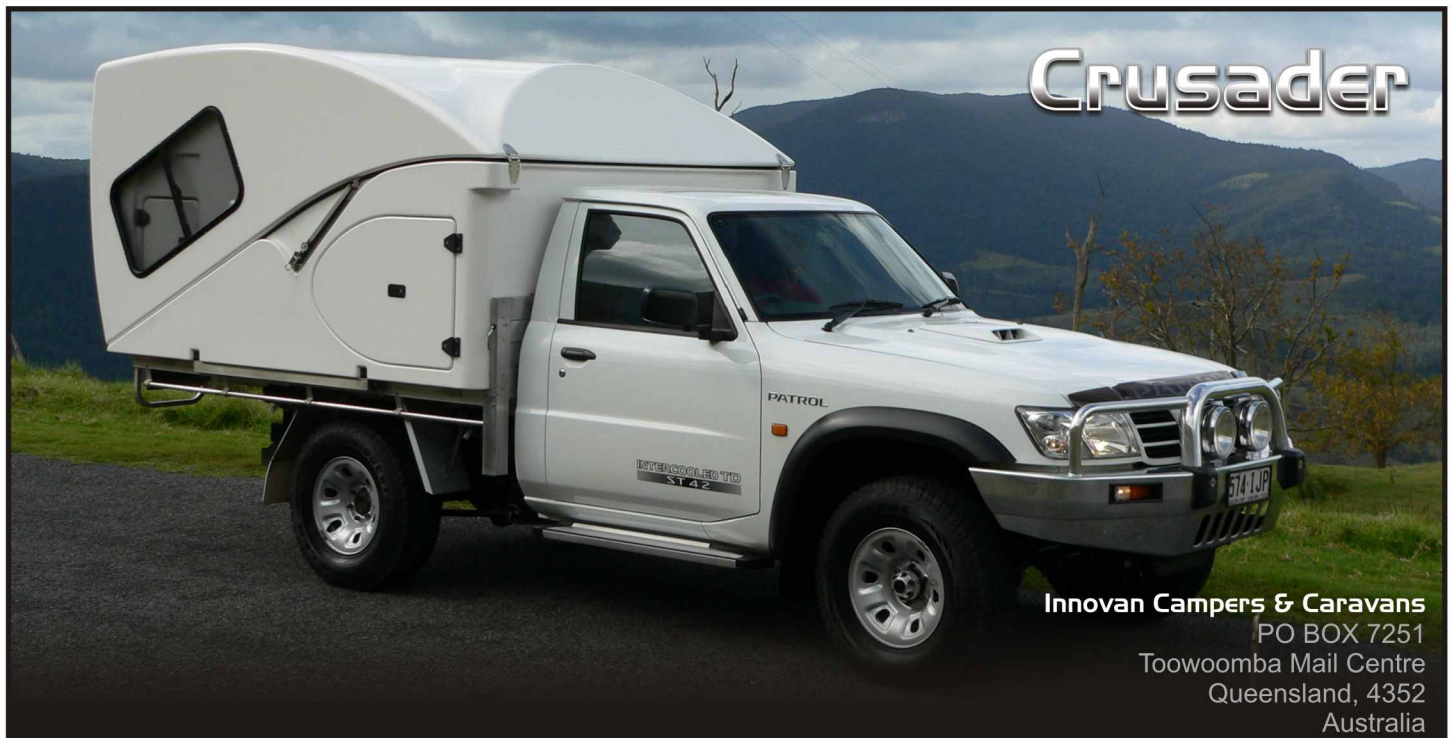

□ model fact sheet updated 30 / 9 / 05

The **Crusader** integrates the essential features and functions to allow you to venture out and conquer the great outdoors in relative comfort and safety with a secure insulated shelter system. Building upon Innovan's advanced moulded composite structure, it is packaged for the price conscious person who already owns suitable items of "camping" equipment and would like to use these together with Innovan model options listed below.

The Innovan **Crusader** is fitted with the following features:

- Glacier white moulded GRP composite outer shell, internal furniture and canopy with internal surface flow coat finish
- Pneumatic canopy rams with lock down brackets
- Lockable doors to external storage with dust seals protecting all internal cavities
- Lockable main access door
- Screened side windows and roof vent
- Faucet (tap) in vanity recess for external access to water
- Four adjustable halogen spotlights with individual switches
- Roll-out dining table
- *Polar* interior colour and finishes with mock suede seats and an easy to clean vinyl floor covering
- Internal stainless steel sink and drainer with single water faucet (tap)
- Cupboards above sink and workbench with hinged doors
- Self raising bed bases with two 1880 x 760 x 120mm thick foam mattresses with 2 year warranty
- 55 litre onboard water tank with 4 litres / minute 12V water pump
- Fiama Bi-Pot toilet with external access.
- Fire Extinguisher
- Suits most "1 ton" trayback utilities (4x4s and 2x4s) with a single cab
