

model fact sheet updated 30 / 9 / 05

As the name suggests, the **Rover** allows you to do just that in comfort and safety with a secure insulated shelter system. Building upon Innovan's advanced moulded composite structure, this model provides the freedom to rove the country without missing the creature comforts of home.

The Innovan **Rover** is fitted with the following features:

- Glacier White moulded GRP composite outer shell, internal furniture and canopy with hull liner on internal surface
- Pneumatic canopy rams with lock down brackets
- Stainless steel jack mounts and non adjustable stands
- Aluminum folding **Innostairs** leading to lockable main access door with vent
- Lockable doors to external storage with dust seals protecting all internal cavities and ventilation hatches
- Screened front, rear and side windows with powered Fiamma *Turbo* roof ventilation (200mm fan)
- Innosshield** folding awning system
- Lockable vanity unit with external light, hot/cold mixer, adjustable showerhead and faucet (tap)
- Rover **Innochef** rollout kitchen platform (Stainless steel, two burner, Dometic cook top)
- Large cutting board / work bench as hatch to pots and pans storage
- Four adjustable halogen spotlights with individual switches
- 240 volt Double Pole power point outlets (Circuit Breaker protected)
- Roll-out dining table with high quality surface
- Polar** interior colour and finishes with mock suede seats and easy to clean vinyl floor covering
- Interior kitchen with Stainless Steel two burner cook top with glass lid
- Stainless Steel Smev sink and drainer with single water faucet (tap)
- 85 litre top opening Evakool Fridge / Freezer with Bd50 Compressor and variable fridge and freezer space
- Cupboards above sink and cutting board with coloured hinged doors
- Innospace** self raising storage beds with two 1880 x 760 x 120mm thick foam mattresses with 5 year warranty
- 55 litres onboard water tank with 12 litres / minute 12 volt water pump and external water source inlet
- 4.5Kg or 4.0Kg gas bottle with regulator and gas lines.
- Fiamma Bi-Pot toilet with internal and external access to toilet
- Fire Extinguisher
- Gas and 240V compliance certificates
- Suits most "1 ton" trayback utilities (4x4s and 2x4s) with single cab
